Guests and members on board "The Queenslander" at Diwali River Cruise

Diwali River Cruise

This festive season the Sabha decided to celebrate in different way, cruising in beautiful Brisbane river, looking through our wonderful Brisbane City. The glittering light encompassing the river was a magnificent sight, as if someone has lit "Diya" around the place. The theme for the evening was Diwali.

While Diwali is known as the "festival of lights", the most significant meaning is- the awareness of the inner light. Diwali is about the triumph of virtue over vice, of good over evil, of light over darkness and of knowledge over ignorance. Diwali is supposed to be the beginning of a better life, better future and better prospects. It is about unity, tolerance and understanding and our hopes and ambitions for the future. It reminds us that love, concern and respect for others is the way to a brighter day. Regardless of race or faith, people all over the world identify this with the message of Diwali.

The vegetarian food was served on board, starting with delicious entrée and then meal concluded with dessert, being traditional sweets and fruits. The patrons enjoyed the music, and on board activities of Antakshri, and Karaoke. The talent was seen amongst the guests and members as they actively took part, it was a pleasure to see people enjoying this festive season with classic Hindi songs, and poems.

On behalf of Arya Pratinidhi Sabha of Queensland Inc (APSQ), I extend my heartiest thanks and appreciation to patronage of our members and friends. Their support had made the evening fruitful, and enjoyable. Wishing you all very happy Diwali and prosperous New Year. May God Bless us all.
