Namastey!

It is our great pleasure to invite you and all others the forthcoming **"International Arya Mahasammelan 2018"**. This mega summit of the Aryans (Noble people) from all over world is scheduled on **October 25 to 28, 2018 at Swarn Jayanti Park, Sector 10, Rohini, New Delhi.**

This great event is being organized to propagate the message of world peace and harmony among the mankind through Vedic philosophy and the principles of Arya Samaj founded by Maharshi Dayanand Saraswati.

IAMS 2018 is being organized jointly by the Sarvadeshik Arya Pratinidhi Sabha (International Arya League) and Delhi Arya Pratinidhi Sabha (The administrative body of Arya Samaj in Delhi State).

The basic objective behind this mega event of IAMS 2018 is to have broad level exchange of experiences and ideas between the Aryans working in different parts of the world. Participants will share Vedic thoughts and explore new ways to spread Arya Samaj ideology for character building, moral values, peace and harmony in the world.

The main attraction of this spectacular mega event will be the sermons delivered by well renowned Vedic Scholars and Saints of Arya Samaj coming from all over the world. Yagna in various local languages at well embellished Yajshalas, ambient Book stalls, simultaneous activities of various themes in multiple halls, and much more to cater interests of all participants. Complete information about major attractions, events and facilities is available on the official website of International Arya Mahasammelan.

I take this opportunity to tell you that this is not a mere gathering of unguided crowd but a splendid show of Unity and Strength of Arya Samaj as a whole.

A great number of delegates from many countries have attended several Mahasammelans held earlier. It was decided in International Arya Mahasammelan 2006 held at Delhi to organize this event in different countries every year. So far we have successfully organized such sammelans in USA (Chicago) - 2007, Mauritius - 2008, Suriname - 2009, Holland - 2010, India - 2012, South Africa (Durban) - 2013, Singapore & Thailand - 2014, Australia (Sydney) - 2015, Nepal
